

Introduction

Welcome to your copy of the clubs handbook. The aim of this handbook is to provide the membership with club information other than dive related procedures. This handbook reflects decisions made by the committee on behalf of the membership and will be updated as required following committee meetings. The only exception is the club constitution which can only be amended at a general meeting of the club members.

As with all Sub Aqua Association (SAA) clubs the club Diving Officer (DO) is responsible for all diving and training activities. However the DO looks for support of the committee and the club membership in general to ensure the smooth running of your club. All post holders are elected by the whole of the club membership.

Some club background

The inaugural meeting of the club was held on the 5th May 1994, at which time the club was named “T. S. Wrekin Sub-Aqua Club”. One of the original aims of the club was to provide support for the Telford sea cadet diving section. “T S” standing for Training Ship.

The club became a member of the Sub-Aqua Association, number 829. The club commenced its weekly pool session on the 1st July 1994 at Newport pool where the club has continued to meet on Friday nights.

At a meeting on the 4th October 1996 the club changed its name to the “Aquarius Sub-Aqua club” and the Sea Cadet diving section continued in its own right as a junior branch of the British Sub Aqua Club (BSAC) with its own Diving Officer and committee. Whilst no longer part of our club the sea cadets have continued to use the clubs pool sessions in what is seen as a special relationship between the two clubs.

The club aims continues to be to organise diving for its members and to provide newer and less experienced members with training and guidance in line with the SAA’s guide lines.

The contents of this member’s handbook provide guidance for members to plan dives and contact other club members, as well as the rules and club constitution.

Remember always to dive safe and enjoy yourselves, diving is lots of fun.
